The White Pine Compound.

"It was early in the spring of '32 that this compound was originated. A member of my family was sfilied with an irritation of the throat attended with a disagreeable cough. I had for some months of the disagree of the throat attended with a disagreeable cough. I had for some months of the last the inside as to be very perful in the sales of the throat and lungs. To test the value of it in the case alluded to, I compounded a small quantity of the medicine that I had been planning, and gave it in tesspoonful doses. The result was exceedingly gratifying. Within two days the irritation of the throat was removed, the cough subsided and a speedy cure was effected. Soon after this, I seal had been sensely in Londonderroks. I from a bad cough, occasioned by a sadeen coid, and had raised mucus streaked with blood. She soon found relief an sent for more. She took about ten onness of it, and got well. J. B. It was not originated for that purpose, but a persongian using it for a cough was not only cured of the cough, but was also cured of kidney difficulty of ten years standing. Since that accidental discovery many thousands have used it for the same complaint, and have been completely cured by Dr. Poland, in 1886. Since then, as in Manchester, the White Compound has taken the lead of all Cough remedies, as well as a preparation for the cure of Kidney difficulties, in every city, town, vilage and hamlet throughout the New England States.

The remedy is as rafe and pleasant to take as it is effectual.
